RESOLUTION

TARIFFS

New Delhi, the 9th August 1947

No. 218-T/B(2)/47.—In their Resolution in the Department of Commerce No. 218-T(55)/46, dated the 13th July 1946 the Government of India referred to the Tariff Board a claim to protection received from the cotton textile machinery industry. The terms of reference to the Tariff Board are contained in paragraph 5 of Com-

merce Department Resolution No. 218-T(55)/45 dated the 3rd November 1945

2. The Board, having considered this claim, have submitted an interim report to Government with the following recommendations —

- (I) "It is not possible to make any reasonable estimate of costs based on the very small volume of production so far achieved in the country. The application for protection is therefore premature and the enquiry should be postponed and taken up again early in 1948.
- (II) It is recommended that in the Accounts relating to the Sea-borne Trade and Navigation of British India spinning and weaving machinery should be sub-divided as follows:—

Spinning Machinery

- (a) blow room machinery,
- (b) cards,
- (c) speed frames (including drawing),
- (d) spinning frames,
- (e) doubling frames.

Weaving Machinery

- (a) winding machines,
- (b) warping machines,
- (c) looms."

3. As regards recommendation (I) the Government of India have decided to authorise the Tariff Board to hold a fresh enquiry in the year 1948 after the cotton textile machinery industry has attained a sufficient volume of

production which would enable the Board to estimate costs of production.

4 Government accept recommendation (II) and necessary steps will be taken to give effect to it.
